Dear Sir,

Messrs. V. D. Rajaram and Co., of Mysore have offered a donation of Rs 15,000 to be used for the construction of a Ward in the Tuberculosis Sanatorium, Mysore, called "Damodaram Ward" and have sent a cheque for that amount on the Bank of Mysore in favour of the Dewan.

The question of the manner in which the Sanatorium buildings have to be extended to give effect to the donor's intention is under correspondence with the Senior Surgeon whose proposals are awaited. Pending orders of Government in the matter, I am desired to request that the cheque, sent herewith duly endorsed in your favour, may be cashed and the amount kept in 'Suspense'.

Yours sincerely,

Dear Sir,

We have pleasure in handing you herewith a draft on Bank of Mysore in your favour for --- Rs. 15,000/- (Rs. Fifteen thpusand only).

We desire that a Ward exactly similar to the one that has been constructed by Mr B.Muni-Venkatappa may be put up in the Tuberculosis Sanatorium, Mysore, the Government contributing an equal additional amount of Rs. 15,000/-.

The ward may kindly be named "Damodaram" ward.

We trust you will be pleased to give the necessary sanction and shall be glad if orders are passed as early as possible.

Thanking you.

Yours faithfully,

No. 2419

Dear Dr. Subba Rao,

Messrs. V.D.Rajaram & Co., of Mysore, have forwarded to the Dewan a cheque for Rs.15,000/- to be used, with an equal contribution from the Government, for the construction of a ward, similar to Mr. Munivenkatappa's ward, in the Tuberculosis Sanatorium at Mysore. The new ward, it is their desire, is to be called "Damodaram Ward". The Dewan thinks this is a most welcome gift but he fears it will not be possible to give an equal contribution from Government. He desires, however, to have your opinion on this matter. Would you kindly let me know your views early for submission to the Dewan ?

Yours sincerely,

Private Secretary to Dewan.

DEAR Mr. Singaravelu Mudaliar,

I am in receipt of your letter No.2419 dated 11th May 1931 regarding the donation of Rs.15,000/- offered by Messrs. V.D.Rajaram & Co., Mysore towards the construction of a ward similar to Mr.Munivenkatappa's Ward in the Tuberculosis Sanatorium at Mysore. In view of the fact that it may not be possible at present to give an equal contribution from Government, I would suggest that plans and estimates may be prepared for the construction of as many single bedded open air wards as it may be possible to construct against Rs. 15,000/- now received from Messrs.V.D.Rajaram & Co., the contribution from Government being deferred to some later date. I herein enclose a rough sketch of the open air wards I propose. For the present, the structure may be limited to ten single bedded wards with a store room, Nurses' room, bath room and lavatory. This building may be extended as shown in red ink when the Government contribution is forthcoming, and more accommodation is required. I have at the same time, to explain that with the construction of this ward, the existing recurring charges under nursing establishment, diets &c., will also have to be increased. The accommodation in the Sanatorium has recently been raised from 31 to 60 beds, on account of the opening of Munivenkatappa's Ward. The need for additional wards is therefore not very pronounced just at present.

(1)

(2) For an alternative use of the donation, I would suggest that, in case Messrs.V.D.Rajaram agree, the amount may go into the new Maternity Hospital Fund, subject to the condition that one ward in the Institution will be named as Damodaram Ward.

Yours sincerely,

S. Subba Rao

DEAR Sir,

In continuation of my letter No. G.C. 329-1 dated the 18th May 1931 regarding the utilisation of the donation of Messrs Rajaram & Co. I write to state that during my inspection of the Sanatorium on the 5th instant, Mr. Rajaram met me, and I proposed to him that instead of constructing another Ward, the sum of Rs 15,000/- offered by him may be more advantageously used for the improvement of the Administration Block of the Sanatorium, by the addition of two wings to the existing building (as shown in the sketch enclosed). (1)

It was also suggested that the existing General Ward for men could be named as the Damodram Ward, and that such an arrangement would be satisfactory both to himself and to Government. Mr. Rajaram having agreed to the proposals, the Chief Engineer has been requested to prepare plan and estimates for the extension of the Adminstration Block to accomodate the X - Ray therapy, Ultra Violet Ray therapy, Laboratory, Consulting Rooms, Etc. (2)

If the Dewan approves, the matter will be formally reported to the Government.

Yours Sincerely
